Email of Contractor _____ Phone # of Contractor _____

REQUIRED: Water Line Plans/Specifications for proposed project should be attached as Exhibit "A"

In consideration of the granting of this permit, the undersigned agrees:

1. To accept and abide by all provisions of the Round Hill Water Ordinance, and of all other pertinent ordinances or regulations that may be adopted in the future.
2. To maintain the building water service line at no cost to the Town of Round Hill.
3. To notify the Town Administrator when the building water service line is ready for inspection and connection to the public water main, but before any portion of the work is covered.
4. To operate and maintain the water facilities covered by this application in a sanitary manner at all times, in compliance with all requirements of the Loudoun County Health Department, and at no cost to the Town of Round Hill.
5. All plumbing and construction work must be approved by the Loudoun County Department of Building and Development (B&D), and an approved permit is required from the County prior to construction. All contractors must be licensed with the County. Contact the County's Department of Building and Development for details.
6. To receive meter connection, applicant must return complete application and submit connection fee.
