

CHAPTER 17.

PLUMBING AND GAS.

EDITOR'S NOTE: The attention of the user of this Code is called to the fact that the municipality has no ordinance relative to plumbing and gas. The municipality is subject to the Loudoun County Plumbing and Gas Code Ordinance.

(For state law as to authority of municipal corporation to regulate the installation, etc., of plumbing, heating, etc., installations in buildings and structures, see Code of Va., § 15.1-864, as adopted by Char., § 1. For state law authorizing municipalities to regulate plumbing, see Code 1950, § 32-61.

As to housing hygiene requirements with reference to plumbing fixtures, etc., see §§ 12-30, 12-36 of this Code.)

(As to water and sewer requirements, etc., see Chapters 19 and 25.)
