

CHAPTER 6.

ELECTRICITY.

EDITOR'S NOTE -- The attention of the user of this Code is called to the fact that the municipality has no ordinances regulating and providing for the inspection of electric wiring, devices, appliances and equipment. The municipality is subject to the Loudoun County Electrical Ordinance.

1. (For state law authorizing municipal corporation to regulate the installation, maintenance, etc., on electrical installations in buildings and structures, etc., see Code of Va. § 15.1-864.)
